PROFESSIONAL EXPERIENCE

Logistifie | Frontend Developer (Full-time, Remote)

Jan 2024 – Present | London, UK

- Converted Figma designs into responsive, SEO-friendly websites with cross-browser compatibility.
- Built and optimized dynamic UI components improving user engagement and site performance.
- Implemented backend functionality (file upload, contact forms, Google reCAPTCHA, PHP features).
- Enhanced website speed and accessibility, ensuring a 10–15% performance improvement.
- Collaborated with designers and backend developers to deliver uniform UI/UX across devices.

Mosher Core Limited | Frontend Developer (Part-time)

Jul 2024 – Jan 2025

- Built and supported complex, responsive interfaces in a Laravel-based application.
- Integrated frontend with APIs and backend logic in coordination with backend developers.
- Improved mobile responsiveness and cross-browser support for dynamic web apps.

Rean WaterTech Pvt. Ltd. | Software Developer Intern

Apr 2023 – Jul 2023

- Developed responsive React.js components and web pages.
- Implemented routing and navigation with React Router for multi-page applications.
- Applied state management and props drilling to improve component communication.
- Participated in team meetings with stakeholders, aligning project goals and timelines.
